6 IF YOU HAVE BEEN INTRODUCED BY AN INTERMEDIARY

You may have received advice from an intermediary. In certain jurisdictions, Bupa Global require your consent to payment of your intermediary for their part in introducing you to *us* as a member. Where applicable, we will deduct a fee from each subscription payment received from you and pass this onto your intermediary on your behalf. For the avoidance of doubt, consent to payment of your intermediary's fees does not affect the amount of any premiums payable by you which would remain the same whether or not you had approached us directly or not. Upon renewal of your policy, we will continue to pay your intermediary until otherwise notified by you in writing.

Each member to be included on this plan automatically receives cover for Worldwide Medical Insurance, our core cover. Please tick the options you wish to add for you and any additional people.

WORLDWIDE MEDICAL INSURANCE

For treatment received whilst staying in hospital, either overnight or as a day-case, plus related benefits.

Worldwide Medical Insurance gives you the reassurance of covering essential hospital treatment you may need, whether in an emergency or a planned visit. Surgery, cancer treatment and advanced imaging, whether received whilst staying in hospital or as a visiting patient, are also included.

	MA	1	2	3	4
WORLDWIDE MEDICAL PLUS: For specialist treatment where you do not need to stay in hospital.					
Worldwide Medical Plus covers you for consultations with a doctor or specialist and medical treatments that do not require a hospital stay. These may include osteopathy or complementary therapies, for example. Some of these treatments or consultations may take place before or after a hospital stay, but many will be totally independent.					
WORLDWIDE MEDICINES AND EQUIPMENT: For prescribed medicines and medical equipment.					
Often, treatment does not end when you leave the hospital or clinic or after you have seen a specialist. This option covers you for prescription medicines and the rental of medical appliances, such as oxygen supplies or wheelchairs. Our unique benefit for long-term prescriptions will also pay for any medicine required to manage chronic conditions such as asthma.					
WORLDWIDE WELLBEING: For a range of health screenings, vaccinations, dental and optical treatment.					
Our Wellbeing option is designed to help you protect and maintain your health. It covers medical screenings that can provide valuable early detection of conditions such as cancer. It covers dental and optical treatments, which can play an important role in keeping you healthy by identifying underlying problems such as mouth cancer or diabetes.					
WORLDWIDE EVACUATION: For when you can't get the treatment you need in a local hospital.					
The Worldwide Evacuation option covers you for reasonable transport costs to the nearest appropriate place of treatment, when the treatment you need is not available nearby. Repatriation, which is also included, gives you the added option of returning to your home country or specified country of nationality, to be treated in familiar surroundings.					
COVER FOR PRE-EXISTING CONDITIONS:
